

SOLO TRAVEL CLUB NEWSLETTER

MAY 2020

Hi Fellow Inmates!

I hope everyone is safe and well, and coping with the isolation, please stay in contact with me and also your friends in the Solo Club. If anyone has tried to ring me on my mobile phone, the reason I have not answered is because my phone has died and I need to get a new one. I can be reached at home on 44 65 1919 or on Sam's Mobile 0418 454 262.

Well, just over a month has passed since our last newsletter; there has been some improvement, which is great. At least now you can visit a friend, have a coffee, or a meal out as long as there are not more than 10 people in the one place. Please still practice social distancing when you are out, or with friends.

Ryde Eastwood Leagues Club have takeaway from the Coffee Club and the Restaurant, for lunch and dinner, now the Restaurant will be able to have dinner for 10 people and the Coffee Club at Lunch Time. You will have to ring the club for takeaway and also to book into the restaurant. The Club also has essential bags, which consist of Toilet Paper and other essential things; they are \$15 per bag.

We will come to Sydney once a week, as we have to check on things on our reservation system. We are still not allowed to see people in the club, but you can ring us at the office on Mondays if you have any questions, or just want to say hello.

I don't think there will be any travel plans for the rest of this year, but hopefully start again next year. As I said in my last newsletter, Greece, Sicily & Malta has been postponed to 12 May next year.

Our Western Australia trip has also been postponed, and hopefully we can go the same time next year. Norfolk Island has also been postponed until April next year. Hawaii and Japan will also be re-scheduled.

I will focus on week trips away, which everybody liked and also maybe some longer ones interstate, when the borders open. I have been given some ideas by some of you which I will certainly check-out, although I won't be able to give specific dates and prices at this stage. If you have any ideas about places we haven't been to that you have seen advertised or have been to yourself and enjoyed, please let me know.

I am still hoping we can go to the Hunter Valley Christmas Lights at the end of the year, which would be a nice little trip away for a couple of days. As soon as I get an answer on this I will let you know.

I look forward to catching up with you again soon, so stay safe, keep well and keep that sense of humour.

Marlene
