

SUMMARY OF MEETING 24 JUNE 2021

Hi Everyone

Firstly, I must apologise for not sending this summary out sooner. Due to the uncertainty at the moment with Covid, we have been trying to plan tours, looking at alternatives and at this stage trying not to cancel tours. Regretfully we have had to cancel our Broken Hill Trip in September, even if the lockdown is over, I am sure there will be restrictions and many places will not want groups from the Greater Sydney Area visiting them. We will be doing the same tour next year to Broken Hill.

We have not cancelled Bathurst or the Christmas Lights at the Hunter Valley at this stage and I really hope we can still go ahead with them. There is also a trip to Norfolk Island in December and at this stage I am not sure if this will go ahead.

For next year, our tours will include Victoria & High Country, Longreach & Winton, Western Wonderlands, Lord Howe Island, Fraser Island and Gold Coast, East & Western Victoria Silo Art, Young Getaway which includes Wine, Food and Fruit picking, New Zealand and of course Broken Hill.

We will not even think about travelling to any other overseas destination except New Zealand. Regarding Greece, Sicily & Malta, we are making some headway in trying to get some refund back, and we will keep you posted as to what is happening.

I will attach Theatre Shows, Day Trips and Lunches, but I know most of these have been either cancelled or postponed, which has been very stressful for Anne, Meg and Julie. Please remember they can't give refunds until they receive them, so please be patient. Some venues will re-schedule but we are in their hands.

I know it is hard for all of us to stay positive in this lockdown, but we must keep in touch with each other by phone or email. I think you all know I am always here if you just want a chat or even some support in these very challenging times. My Mobile phone number is 0421 931 677 and I am always happy to hear from you. Please leave a message if I don't answer, as sometimes reception in our area is not good.

Take care, stay safe and well and I look forward to seeing you hopefully at our next meeting or before.

**OUR NEXT MEETING IS THURSDAY 26 AUGUST AT 10.30AM
I LOOK FORWARD TO SEEING YOU THERE...**

Marlene
